# FOREWORD

The University Grants Commission (UGC), Nepal is currently undertaking Higher Education Project (HERP, 2014-2020) which is a national priority project supported by the World Bank for facilitating implementation of the higher policy framework of Nepal. The national higher educational policy framework emphasizes on systematic development of higher education in the country. For the success of the policy implementation, it is imperative that the system is capable with reliable Education Management Information System (EMIS). One of the important aspects of the EMIS is to publish it in the form of report annually. This report is the second edition in this line.

The national higher education policy framework lists major thrusts of ensuring access to higher education on the basis of the aptitude and equity, criteria based quality assurance, priority based relevance, research based innovation and development, and performance based funding. This report covers major parts of the H-EMIS indicators and their analysis.

The UGC is aiming to build a comprehensive and coordinated EMIS extending from UGC to the universities and to their College, made open and accessible to the concerned stakeholders. National Academy of Science and Technology is also developing EMIS with the help of H-EMIS developed by UGC. The main strategy is to develop and use a web-based compatible EMIS system. The college is using and customizing web based EMIS. There are many challenges in developing comprehensive EMIS in the college because the software purchased by the College in yet to deliver its output in some modules it is in the phase of data entry and most of the modules are tested and working correctly.

The EMIS Report lists the information related to the academic programs, students, faculty members, research, publications, and financing. The data are disaggregated by important variables and analyzed to provide important issues based on the indicators derived from various sources. It is expected to benefit the researchers and its stakeholders. The College would like to request the readers to provide constructive feedback and suggestions for further improvement of the report in the future.

# INTRODUCTION

Education Management Information System (EMIS) is a central data repository system of NAST College which store, analyze, and report the information of students, faculties, staffs, administration, and academic activities. EMIS cell at the NAST College is specially designed to monitor the performance of education programs offered by the NAST College and to manage the distribution and allocation of educational resources. The NAST College has undertaken the task of publishing basic statistical information about the bachelors through its annual publication in the form EMIS report. This report presents information about the higher education in the College though comprehensive data. It is expected that the information in this report will be useful for planning, policy making, designing programs and projecting resources of the higher education with special references to NAST College.

NAST College is using Paathshala software and its aims to provide updated information of the education system in the College. This is our first attempt to bring out such a comprehensive report of statistical information. The main purpose of this volume is to provide adequate, accurate, timely and reliable data to the education stakeholders.

This report comprises information about NAST College, student enrollment, pass graduates, gender parity index (GPI), teaching and non-teaching staffs, academic department and programs, financial status of the College

## Organization of the Report

There are ten sections in the report; first section provides introduction of the report, second section provides information of faculty in the College. Section three gives faculty-wise and program-wise information on enrollment status and gender-wise distribution of the available data. Section four offers data on GPI. Section five provides information on pass rate from the College. Section six presents information about research and publications of the College. Section seven provides the information of teaching and non-teaching staffs of the College. Section eight presents information about student teacher ratio. Section nine presents information on the financial source and other financial aspect of the College. Information on teaching and non-teaching staffs is presented in section nine. Section ten provides information of scholarship. The main texts are followed by annexure in the report. It includes a total of 5 annexes.

## Methodology

This report was prepared through the direct or indirect contribution of the college and department, administrative section within NAST College. Some data were collected from the administrative sections of the College. The data obtained are presented in a simple table and figure as and when necessary. Data collection process is very simple and we are using the Paathshala EMIS system. Descriptive statistics are used for the analysis of data.

# SECTION 2

# ABOUT COLLEGE

NAST College has 2 faculties and 4 departments. Each offers excellent teaching learning and research environments in a wide-ranging variety of fields. We are recognized as a leader in higher education due to the outstanding quality of our departments that offer over 4 programs in the Sudarpaschim province.

## Faculty of Science & Technology

The Faculty of Science & Technology at NAST College intends to promote the quality of its departments in terms of effective teaching learning activities. The department encompasses the logical, experimental and mathematical study of our engineering students, combining both theoretical and practical aspects and directly benefitting our students from access to well- furnished laboratory facilities, field works. The college offers an array of 4 year BE Computer, Bachelor of Computer Application, and BE Civil.

The faculty provides a base for research activities throughout the course that facilitates in-depth and interdisciplinary approach through interconnected teaching and research activities. The faculty has the following departments that have strong collaboration among the experts within the faculty.

• Department of Computer Engineering
• Department of Computer Application
• Department of Civil Engineering

## Faculty of Management

The Faculty of Management at NAST College aims to provide higher education to students for academic and professional pursuits in business, industry, and government. It produces dynamic and innovative entrepreneurs capable of promoting business and industry for the scio-economic development of Nepal. We started our faculty of management from 2008 AD with one program having a section of 48 students. Currently, the faculty has one department:

- Department of Business Administration

# SECTION 3

# ENROLLMENT IN HIGHER EDUCATION

National Academy of Science and Technology is defined by its Quality and Technology: the college has immense resources with the advanced quality and technology. For incoming students, success while at the college often depends on identifying personal pathways through their undergraduate experience. Toward that end, the college must ensure that students have early and ongoing interaction with faculty, as well as structured access to opportunities for engaging in research and professional development. This defining characteristic should be protected and nourished. Finally, the college will enable students to take a leading role in transforming their own experience through opportunities for fostering friendships, personal and intellectual growth, civility, and community pride. Yearly and Semester system has been adopted for admission in different programs. Students are enrolled in both Science and Technology and management faculty. Details about student's Enrollment are as follows:

| Faculty | Male | Female | Total | Share |
|---|---|---|---|---|
| Science and Technology | 317 | 75 | 392 | 69.01% |
| Management | 83 | 93 | 176 | 30.99% |
| **Total** | **400** | **168** | **568** | **100.00%** |
| **Share** | **70.42%** | **29.58%** | **100.00%** | |

**Table 3.1. Faculty Wise students' enrolment**

Table 3.1 shows that Science and Technology faculty have more students than management faculty. The compositions of male students are more than that of female students. The composition has been highlighted in figure 3.1.1 and 3.1.2

| Program | Male | Female | Total | Share |
|---|---|---|---|---|
| BE Computer | 135 | 30 | 165 | 29.05% |
| BCA | 46 | 3 | 49 | 8.63% |
| BBA | 83 | 93 | 176 | 30.99% |
| BE Civil | 136 | 42 | 178 | 31.34% |
| **Total** | **400** | **168** | **568** | **100.00%** |
| **Share** | **70.42%** | **29.58%** | **100.00%** | |

**Table 3.2 Program Wise Students Enrollment**

According to table 3.2, the share of students is very low in BCA program compared to other programs. The share of BE Civil students is highest i.e., 31.04% percent and the share of BCA students is lowest i.e., 9.20%. Also, female Enrollment is higher in BBA and Lowest in BCA as well as male Enrollment is Higher in BE Civil and Lowest in BCA. The composition

has been highlighted in figure 3.2.1 and 3.2.2

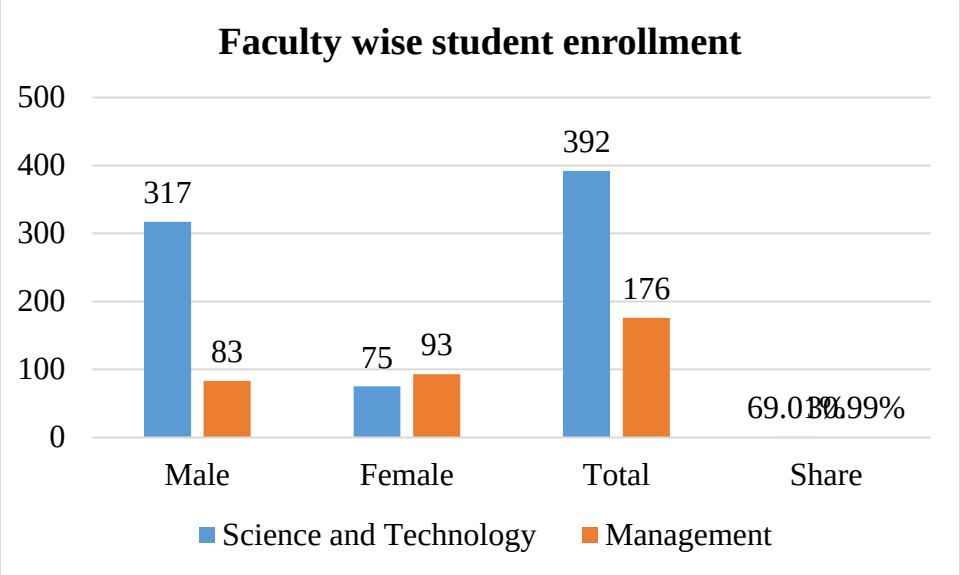

**Fig 3.1.1 Faculty Wise Student Enrollment 2021**

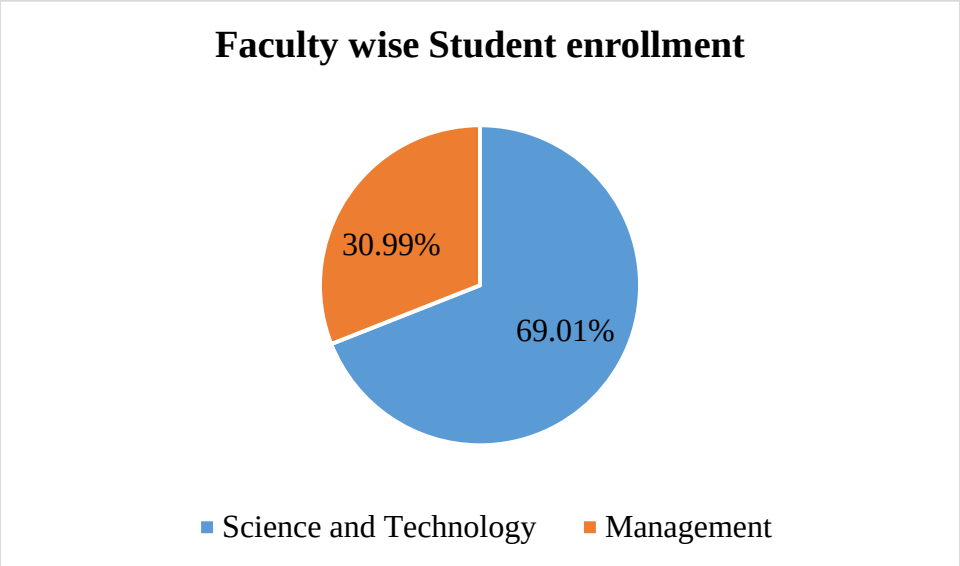

**Fig 3.1.2 Faculty Wise Student Enrollment 2021**

Table 3.1 and figure 3.1.1 and figure 3.1.2 shows that Science and Technology faculty programs are the major bachelor programs from the student's enrollment perspective as this faculty have huge number of students enrollment. Number of students in Management Faculty also has major contribution in enrollment.

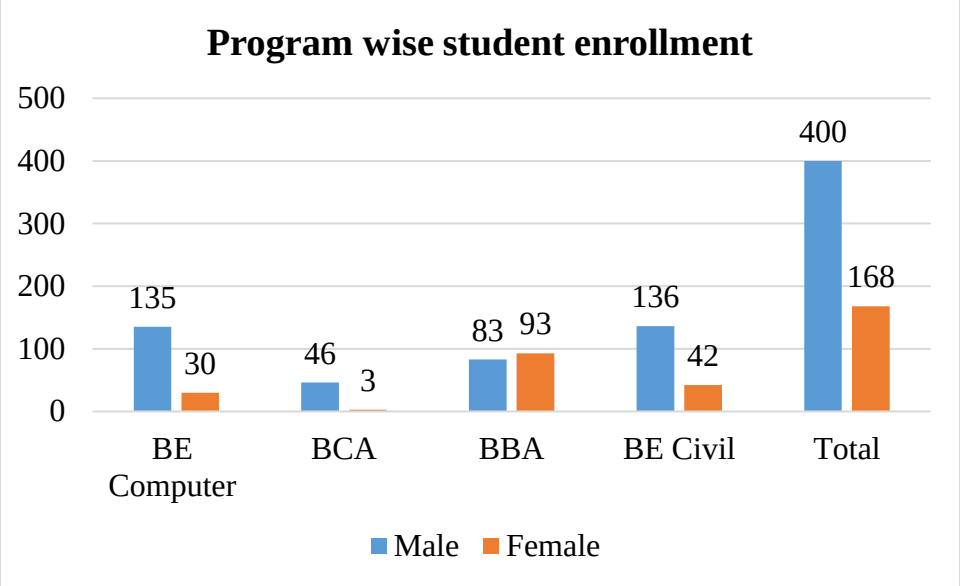

**Fig 3.2.1 Program Wise Student Enrollment 2021**

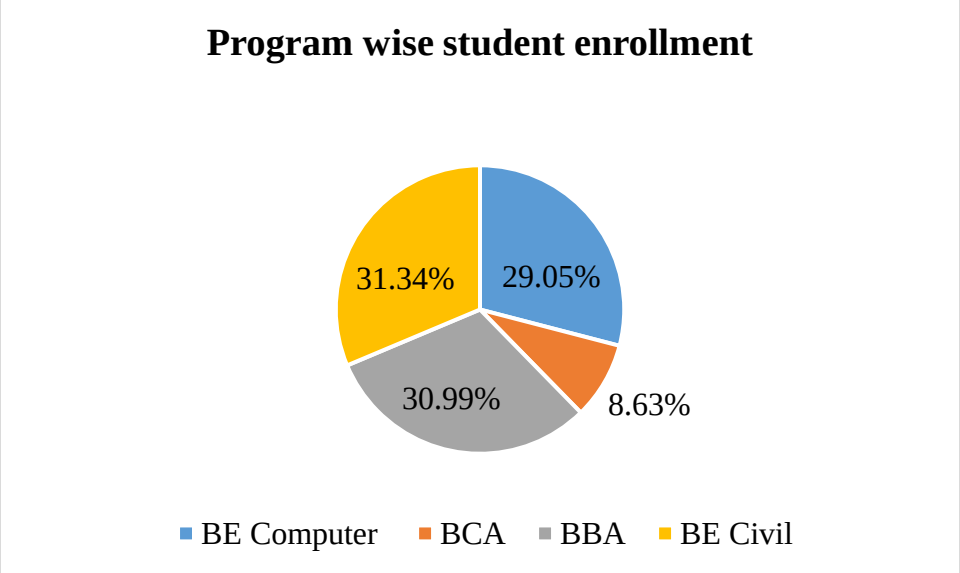

**Fig 3.2.1 Program Wise Student Enrollment 2021**

Table 3.2 and figure 3.2.1 and figure 3.2.2 shows that BE Civil program is the major bachelor program from the student's enrollment perspective as this program have huge number of students enrollment. Number of students in BE Computer and BBA also has major contribution in enrollment. However, BCA program has less number of student enrollment among the mentioned programs.

# GENDER PARITY INDEX

Gender Parity Index (GPI) tells us about the access of girl's students to higher education. It is one of the most important indicators which is used to measure the participation of girls‟ in higher education. GPI in higher education is expressed as the ratio of the number of girls to the number of boys enrolled in higher education.

A value of near one indicates equality, less than 1 display in favor of boys, and value larger than 1 means disparity in favor of girls.

In 2020/2021, the GPI in NAST College is 0.42, which mean there is favor of Boys compared to Girl's enrollment and shown in the table 4.1 and figure 4.1.1 and figure 4.1.2

| Male | Female | Total | GPI |
|---|---|---|---|
| 400 | 168 | 568 | 0.42 |

**Table 4.1. GPI of NAST College**

GPI according to the faculty is presented in Table 4.2

| Faculty | Male | Female | Total | GPI |
|---|---|---|---|---|
| Science and Technology | 317 | 75 | 392 | 0.24 |
| Management | 83 | 93 | 176 | 1.12 |
| **Total** | **400** | **168** | **568** | |

**Table 4.2 GPI in different Faculty**

Table 4.2 and figure 4.2.1 and figure 4.2.2. shows GPI in different Faculty in the college. Science and Technology has GPI of 0.23 and Management has 1.12. In Science and Technology Faculty GPI is less than 1 which reflects favor of boys. However, in Management Faculty GPI is greater than 1 so disparity in favor of girls.

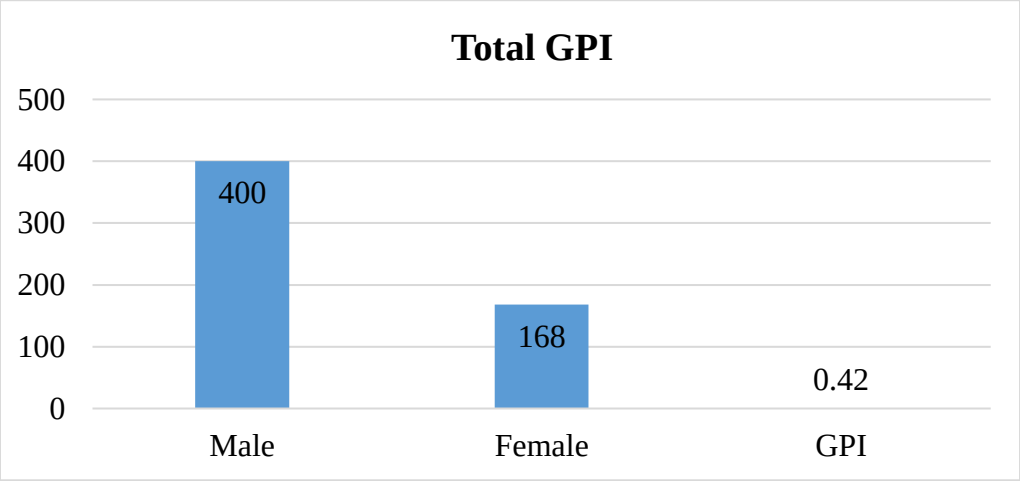

**Fig 4.1.1. GPI of NAST College**

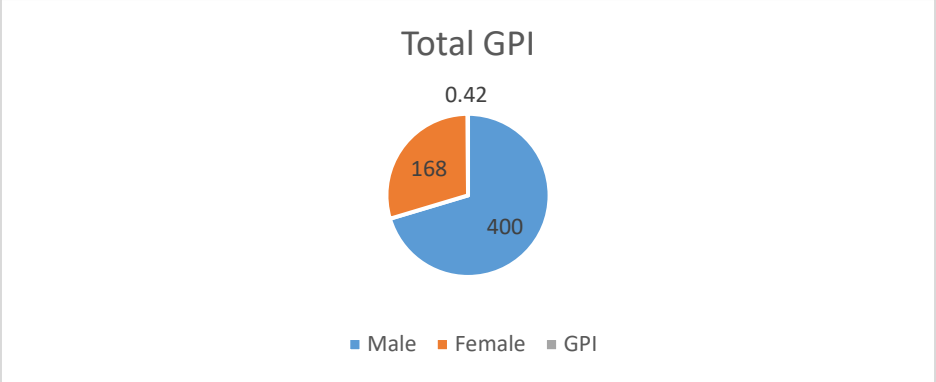

**Fig 4.1.2. GPI of NAST College**

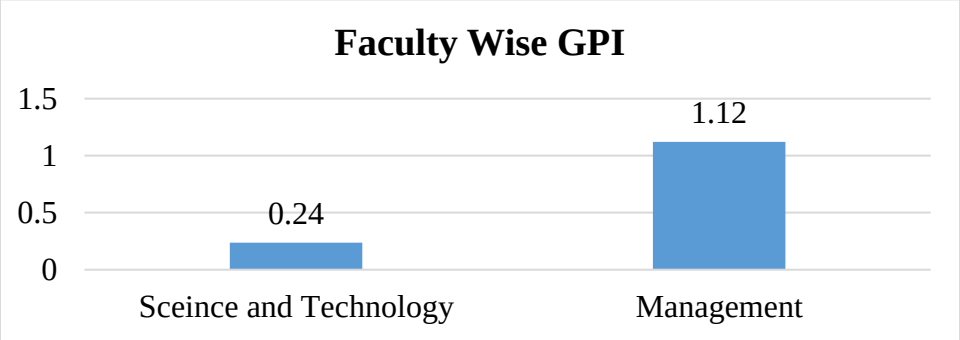

**Fig:4.2.1. Faculty Wise GPI**

| Program | Male | Female | Total | GPI |
|---|---|---|---|---|
| BE Computer | 135 | 30 | 165 | 0.22 |
| BCA | 46 | 3 | 49 | 0.07 |
| BBA | 83 | 93 | 176 | 1.12 |
| BE Civil | 136 | 42 | 178 | 0.31 |
| **Total** | **400** | **168** | **568** | |

**Table 4.3 GPI in different Programs**

Table 4.3 and figure 4.3.1 and figure 4.3.2. shows GPI in different Programs in the college. BE Computer has GPI of 0.22, BCA has GPI of 0.06, BBA has GPI of 1.12 and BE Civil has GPI of 0.30. In BE Computer, BCA and BE Civil GPI is less than 1 which reflects favor of boys. However, in BBA Program GPI is greater than 1 so disparity in favor of girls.

# RESEARCH AND PUBLICATION

The Research Department is a cell formed by the college to make the students accustom to research works and develop a research culture in the college. As being a part of IQAC, the department plays a role to create an environment for involving the faculties and students to carryout research activities. Beside of this, the department also plays important role for providing suggestions on different concerned matters of the college as per requirement, such as it proposed Organogram of the college as of the need for separating high school level and UG level, for the fulfillment of the QAA requirement. The department is a five members unit led by the department head. The present structure of the department is as follows:

1. Coordinator - Mr. Prem Raj Joshi
2. Member – Mr. Shankar Datta Joshi
3. Member – Mr. Jitendra Prasad Bhatta
4. Member – Er. Pusp Raj Joshi
5. Member – Mr. Mahesh Singh Badal

## Research Activities

There is no any activities due to covid.

# SECTION 7

## TEACHING AND NON-TEACHING STAFFS

This section provides information about the number of teachers in different faculty and program. NAST College places a high priority on creating an environment that enables teaching and non-teaching staff to perform their best job. Student-Teacher ratio (STR) measures the average number of students per teacher. It is calculated by total number of students divided by total number of teachers. In this section, STR of the college of faculty and program wise are presented.

| According to Faculty | | | |
|---|---|---|---|
| **Faculty\Degree** | **Students** | **Teacher** | **STR** |
| Science and Technology | 392 | 22 | 17.82 |
| Management | 176 | 10 | 17.60 |
| Total | 568 | 32 | 17.75 |

***Table 8.1 STR of different faculty***

Table 8.1 shows STR of the college overall and on the basis of faculty. The overall STR of the college is 17.75 indicating that on average one teacher is allocated to 18 students. The faculty of science and technology has the highest STR of 17.82 The STR is also presented in figure 8.1.

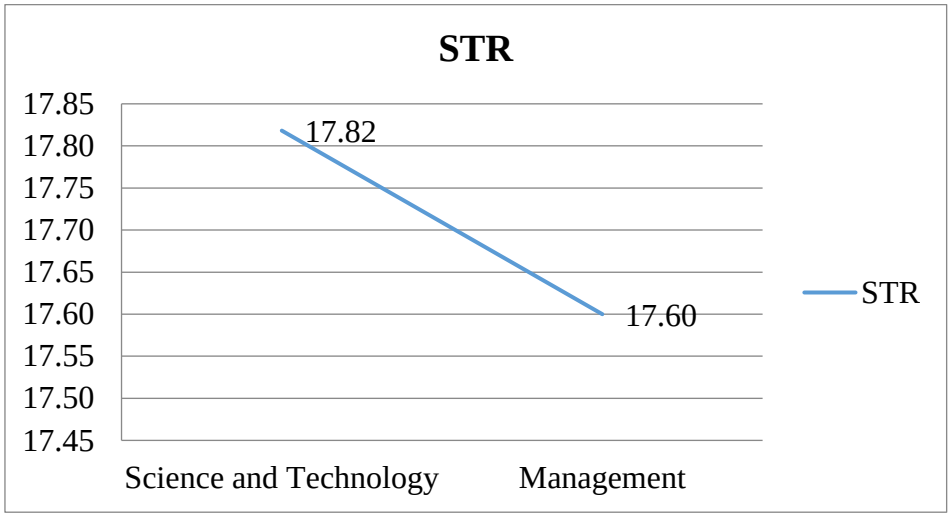

***Figure 8.1 STR of different faculties***

| According to Program | | | |
|---|---|---|---|
| **Program\Degree** | **Students** | **Teacher** | **STR** |
| BE Computer | 165 | 7 | 23.57 |
| BCA | 49 | 3 | 16.33 |
| BBA | 176 | 10 | 17.60 |
| BE Civil | 178 | 12 | 14.83 |
| Total | 568 | 32 | 17.75 |

***Table 8.2 STR of different programs***

Table 8.2 shows STR of the college on the basis of program. BE Computer has the highest STR of 23.57 followed by BBA of 17.60 and then BCA of 16.33. BE Civil has the lowest with 14.83 only. The STR is also presented in figure 8.2

# FINANCIAL ASPECT OF THE COLLEGE

The college has established its separate finance/account section. It carries all accounting and financial transactions. The college has adopted banking system for all (cash receipts and) payments. For that the college has opened bank accounts into Kumari Bank, Dhangadhi Branch.

The fees are deposited by the students in three ways: Online payment system with the proof submitted to the account section, depositing in the Bank themselves and voucher collected by the staff of account section and direct cash deposited at the fee counter of the college. For all types of payments, fee invoice is granted to the students. All deposited vouchers are also reported in bank cash book by the staff of account section on the same date.

For the payment purpose, the college has run an operating account. Any amount of payments is made through a cheque which is operated with signature of the senior account officer and the MD (or Principal). Cheques for payment of expenses are issued in the name of concerned party.

The college follows the fiscal year of Nepal government and the accounting records are verified and audited by an auditor of at least "B" class under the prescription of district treasury controller office of Kailali district. The auditor is selected by the Board of Directors. Every asset in the College is first entered in store ledger and then systematically used by concerned department according to rules of the college. The main sources of income of the college is the fees collected from students. The college earns small amount of revenue by renting its land at Mohanpur.

For the fiscal year 2077/78, the total operational and management cost is Rs. 62533422 and the number of students enrolled in the same year for 2077/78 is 568.

Cost per student per year (for 2077/78 budgeted)

$$= \frac{\text{Total Operational \& management Exp.}}{\text{No. of Students Enrolled}}$$

$$= \frac{62533422}{568} = Rs.1,10,094$$

# SCHOLARSHIPS

The college, through the departments, provides scholarships to the needy students who come from different backgrounds. There are mainly 3 types of scholarship, University, admission fee and Tuition fee scholarship. Each year, the university and college notifies all its students regarding the application deadlines and criteria for the scholarships. The scholarship schemes is provided to different students on the basis of their intermediate marks, economic status, geographic distance, physical status, marginalized community, etc. Despite this, each year 1 student of each faculty is provided with topper's scholarships, which is on the merit list. The details of scholarship and university scholarship are provided in Table 10.1

| Faculty | Management | Science and tech | Total |
|---|---|---|---|
| Admission fee | 35 | 21 | 56 |
| Tuition fee | 147 | 250 | 397 |
| PU Scholarship | 15 | 30 | 45 |
| Total | 197 | 301 | 498 |

***Table 10.1: Scholarship based on faculty***

Currently, management and science & tech students are benefited by more scholarship opportunities provided by college as well as University. It is presented in figure 10.1.

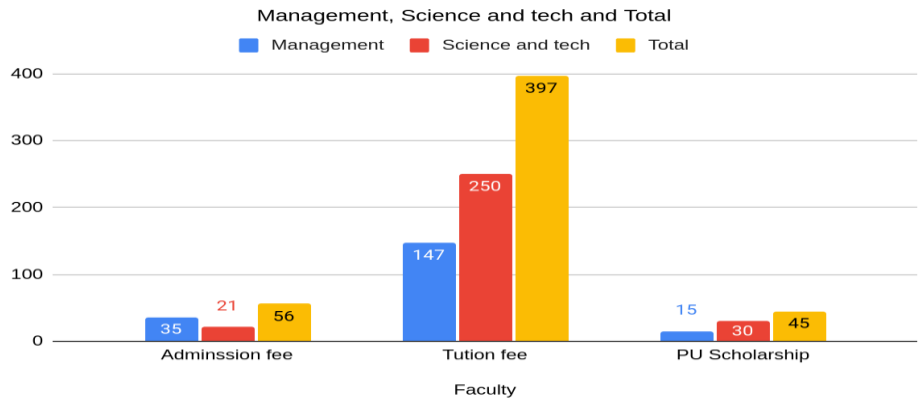

***Figure 10.1 Faculty-wise scholarship***

Scholarship provided on the basis of program is shown in table 10.2 and figure 10.2

| Program | BBA | BCA | BE Computer | BE Civil | Total |
|---|---|---|---|---|---|
| Admission Fee | 18 | 2 | 19 | 19 | 58 |

# BRIEF DESCIPTION OF THE COLLEGE

National Academy of Science and Technology (**NAST**), established in 2000 AD is promoted by a team of academician, researchers, and professionals renowned both at home and abroad. It has proved itself as a center of learning for academic excellence in the field of science, technology and techno-management. It has been offering probably the best facilities and greater opportunities to unexplored talents and economically challenged income groups in the province. **NAST** is the first engineering college in the western part (west of Butwal city) of Nepal. Since its inception, it has started computer engineering (BE Computer) program under the affiliation of Pokhara University. The overwhelming response of the potential students and entire community encouraged to extend further courses. Appreciating the need of the people of the province, it has started BCA in 2001, BBA in 2008 and BE Civil in 2010. At present, the college is running four undergraduate programs with the permission of one section (48 students) in each from Pokhara University. However, the college is planning to expand its programs not only in under graduate level but also in masters level in a variety of new programs.

# REPORT PREPARATION

To prepare this report, required data were collected from different sources: Examination Section, Administration Section, and Paathshala software which is currently using by the College. These data were collected from years using software tools. The collected data were presented in tabular format in spread sheet and analyzed to prepare report.

- Those data were exported in excel and presented in a standard format made by EMIS team for report purpose.
- As there were noise, redundancies in data, effort to clean those noise and redundancy were made as much as possible, however there are some redundancies. After cleaning data, aggregated table was generated.
- From the aggregate table, summary tables required to prepare the report was generated
- Those summary tables were analyzed and interpreted
